

## GROUPE FORREST PRESS RELEASE

### IDENTITY THEFT | MR GEORGE ARTHUR FORREST

*Wavre, 9 June 2016*

GROUPE FORREST has been informed of the use of the name of the President of its Board of Directors, Mr George Arthur Forrest, in emails and messages sent using the Gmail and Google.plus Internet services.

These are fraudulent uses of Mr George Arthur Forrest's name.

Neither Mr George Arthur Forrest, nor the members of the Board of Directors nor the employees of Groupe Forrest, use Internet services of the Gmail or Google.plus type in a professional context.

GROUPE FORREST strongly recommends that only emails from its shareholder or its employees which use the group's official extension, namely, forrestgroup.com should be taken into consideration. Any other email, particularly purporting to be from members of the Forrest family, may be fraudulent.

Groupe Forrest has lodged a complaint for theft of the identity of its President, in accordance with the recommendations of the Gmail and Google.plus services.

GROUPE FORREST would like to thank the web users who have taken the trouble to contact it to inform it of the identity theft of its President.
